#### **Features**

- 1 Optimised design of plate for battery capacity
- 2 Enveloped separator for low electrical resistance
- 3 Advanced centre lug technology & cast on strap
- 4 Sealed double cover with flame arrester
- 5 Integrated design and reinforced container
- 6 Battery health indicator

# Connicrati Connicrati

#### Technology

- 1 New expanded grid plate
- 2 Microfibre and special tissue
- **3** Pasted cure plate
- 4 Envelope separator for low electrical resistance

#### **1 Safety-Flame Arrester**

- Prevents the possibility of an explosion
- Minimises acid leakage

#### 2 Casing-Special Sealed Cover

- Prevent acid leakage & blocks fire from outside
- Minimises electrolyte deflection between cells
- Minimises electrolyte loss by gassing recovery system
- Reinforced design for resistance to vibration & shock damage
- Eco-friendly materials (PP/PE copolymer)

DIN Bottom Hold 5 notches

#### JIS Bottom Hold

## **Powerful**

• Industry-best welding improves and increases cold cranking efficiency.

• Patented grid design maximises current flow and cold cranking performance.

## Long Life

• Premium alloy improves performance and increases battery life up to 200 percent in high heat environments.

• High-conductance separators protect plates from direct shorting – for long service life.

FORD TRADE CLUB

### **Key Performance Points**

Feature	Performance	Benefit
Long-life design	Optimised grid design with reduced corrosion	Increases battery life in the highest and most extreme temperatures
Envelope separators	Reduced resistance	Extends the life of the battery
Special additive	Accelerated chemical reaction	Reduces the time it takes to recharge the battery
Warranty coverage	Up to 36 months national warranty. Free replacement (conditions apply)	Backed by a nationwide warranty for peace of mind

For vehicle applications search **Parts Finder** at **fordtradeclub.com.au** 

Find the Ford Trade Club parts you need *fast* for Ford vehicles and most other makes on your hoist.
